White Plains Hospital

WPH Healthcare Internship
Student Criteria
Intern Program

We are excited that you are applying for the ***Healthcare Intern Program*** employment at White Plains Hospital. This position is designed to introduce college students to WPH and afford valuable educational and clinical experiences. The internship will provide lectures and learning opportunities related to anatomy and physiology, organ system review and introduce some common disease entities.

This program is 6 weeks, Monday through Thursday 9:00 AM- 5:00 PM. The dress code for the interns is a white collared shirt with black pants and ¾ length white lab coat.

The goal of the internship is to expose the interns to various careers in healthcare and medicine.

Intern Criteria **You must meet the following criteria in order to be considered for the WPH Healthcare Internship employment opportunity and interview.**

1. This internship will offer exposure in numerous different specialties. Please submit a 1 page statement describing your special area of interest in the healthcare field and explain why.
2. GPA of 3.5 preferred
3. High School Diploma required. Currently attending college (must have completed 2 years of a Bachelor's Degree Program before June 2014 or recent graduate from 4 year program)
4. College major should focus on Biology, Medicine and or Healthcare
5. Current Official College Transcript
6. Ability to pass a pre-employment physical including drug test
7. Two Letters of Recommendation: for example
    a. A current professor and or advisor
    b. An employer or volunteer service supervisor
8. Proper identification upon acceptance into program (authorization to work in the U.S.)
9. Current Resume
10. Copy of High School Diploma or most current College Diploma
11. **Able to attend mandatory** orientation on this date: ***June 16***
12. Program dates: June 16 through July 24, 2014. Intern hours 9 AM-5 PM Monday -Thursday

All Documents Due in one packet by mail: February 14
