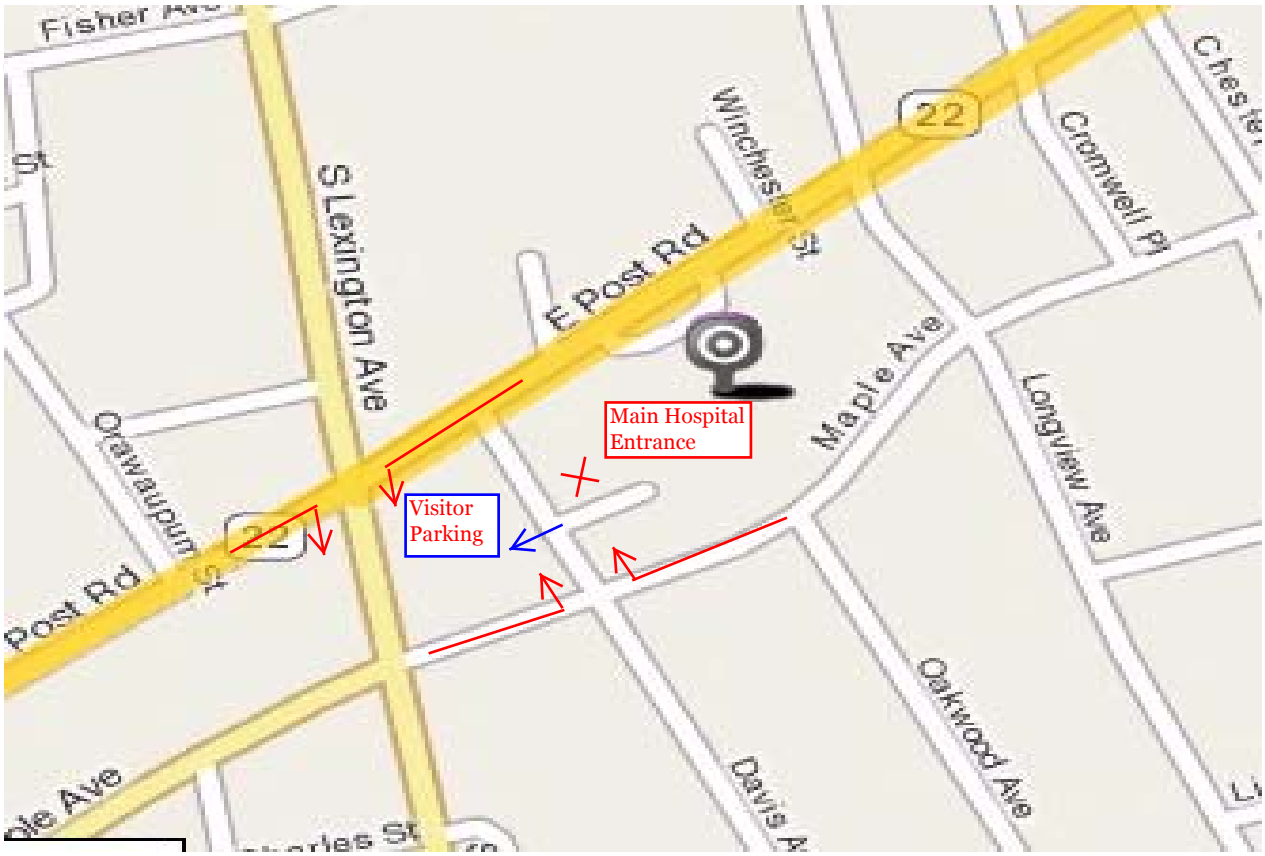
White Plains Hospital

Visitors and Patients of White Plains Hospital

TRAFFIC ALERT

White Plains Hospital is undergoing changes to improve the arrival experience for patients and visitors. Part of this process is converting Davis Avenue to a one-way street from the Main Entrance driveway to E. Post Road.

Beginning **Monday October 3rd**, access to the parking garage and main entrance of the Hospital will be from **Maple Avenue only**.

Construction over the next four weeks will include replacement of the sidewalks and repaving of Davis Avenue.


Thank you for your understanding during this construction project as we work on these exciting improvements to the Hospital campus.
