#### Prepaid Benefit Card - How it works

- Payroll deductions are taken one month prior to availability
- Card cannot be swiped for more than monthly IRS maximums
- Correct home zip code required for verification at certain locations

- Prepaid Benefit card is mailed to home
- If you already have a Prepaid Benefit card the funds will reload

#### Keep in mind

Manual reimbursements will no longer be accepted for the Transportation account.
Use of the Prepaid Benefit card will be the only option available.
